

# In the Supreme Court of the State of Alaska

**Donna Maxwell,**

Appellant,

v.

**Diane Rogers,**

Appellee.

Supreme Court No. **S-17896**

## **Order**

Motion to Stay Appeal

Date of Order: **4/7/2021**

Trial Court Case No. **3AN-15-01655PR**

Appellant filed a motion to stay this appeal pending resolution of her recent Alaska Civil Rule 60 motion in superior court to set aside the judgment in the underlying litigation. Appellee opposes the motion. The motion was assigned to an individual justice in the normal course, who reviewed the superior court's August 21, 2020 order resolving factual disputes, the superior court's October 29, 2020 entry of final judgment, and the papers filed to open this appeal, including Appellant's motion to appeal at public expense and the order granting that motion. Having considered these materials,

**IT IS ORDERED** that the motion for a stay of this appeal is **DENIED**; and

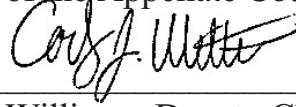

**IT IS ORDERED** that Appellant shall, within ten days of the date of this order, file an updated financial statement and affidavit to support her motion to appeal at public expense, explaining why the original motion should continue to be granted in light of the original affidavit listing of over \$350,000 in assets and no debt other than credit card bills and expenses paid monthly; and

The Appellant's Brief due date is hereby **VACATED** pending the resolution of the appeal at public expense matter.

Entered at the direction of an individual justice.
